The Ezy2wheel Motorcycle Side stand Mover is designed for one person to manoeuvre a motorcycle while not having to hold the weight, but roll the weight with minimum effort.

Simply roll the Ezy2wheel under the side stand and move your motorcycle on any smooth surface with ease. We have received very positive feedback from purchasers of the Ezy2wheel.

We may have met you at the Albany AGM while handing out our brochures but if not, visit our website [www.ezy2wheel.com.au](http://www.ezy2wheel.com.au) to learn more about us and about Ezy2wheel. .

## News from Asian Experience Motor Bike Tours March 2010 Happy 20<sup>th</sup> Anniversary to Asian Experience Motor Bike Tours

### **DESTINATION.....Rajasthan.....**

The Rajasthan tour couldn't be more opposite to the Leh tour. Great roads, lazing about in the hotels swimming pool, amazing palaces & forts, bazaars & markets plus some of the most colourful and vibrant people in India.....little wonder it's the most visited tourist area in India.

### **DESTINATION.....Bali.....**

What can I say about Bali.....sun, surf, beaches, rich culture, fine temples, magnificent scenery, active volcanoes, crater lakes, hot thermal springs, mountains, lush tropical forests, rice paddies plus a warm, friendly people.....does it get much better than this.  
A great holiday and ride.

### **DESTINATION.....Vietnam.....**

Vietnam certainly has become "flavour of the month" and it's easy to see why - the scenery varies from beautiful beaches to the mountainous highlands; the people are friendly ( forever smiling and have a "relaxed" approach to life ); the shopping is great and the food is delicious.....plus there's a good road network.....and to make it even better.....the accommodation is in 4 star hotels & resorts with full buffet breakfasts included ( however this does result in some weight gain!!! )

All of this makes for a relaxing holiday with great mountain and coastal riding.

### **Tours for 2010**

The web site will provide information. Click on MOTOR BIKE TOURS and then on whichever tour takes your fancy.....several pages will open up.....

### **Tours for 2011**

Seems such a long way off.....but already several tours have bookings.....even have bookings for 2012. The web site will be updated soon with the 2011 dates & prices.

Once you've decided on a tour.....email or phone and we'll send tour information, detailed itinerary and a list of the hotels to give you an indication of the standard of accommodation.

### **HAS YOUR EMAIL ADDRESS CHANGED?**

It's so frustrating when we get our Newsletters returned "Postmaster - Undeliverable" If you change your email address please keep us informed or else we "lose" you!!  
Until next time.....stay upright.....

Cheers

John and Helen

THIS POLICY WORKS ALMOST ANYWHERE

It is the month of June, on the shores of the Black Sea. It is raining, and the little town looks totally deserted. It is tough times, everybody is in debt, and everybody lives on credit.

Suddenly, a rich tourist comes to town. He enters the only hotel, lays a 100 Euro note on the reception counter, and goes to inspect the rooms upstairs in order to pick one.

The hotel proprietor takes the 100 Euro note and runs to pay his debt to the butcher.

The Butcher takes the 100 Euro note, and runs to pay his debt to the pig grower.

The pig grower takes the 100 Euro note, and runs to pay his debt to the supplier of his feed and fuel.

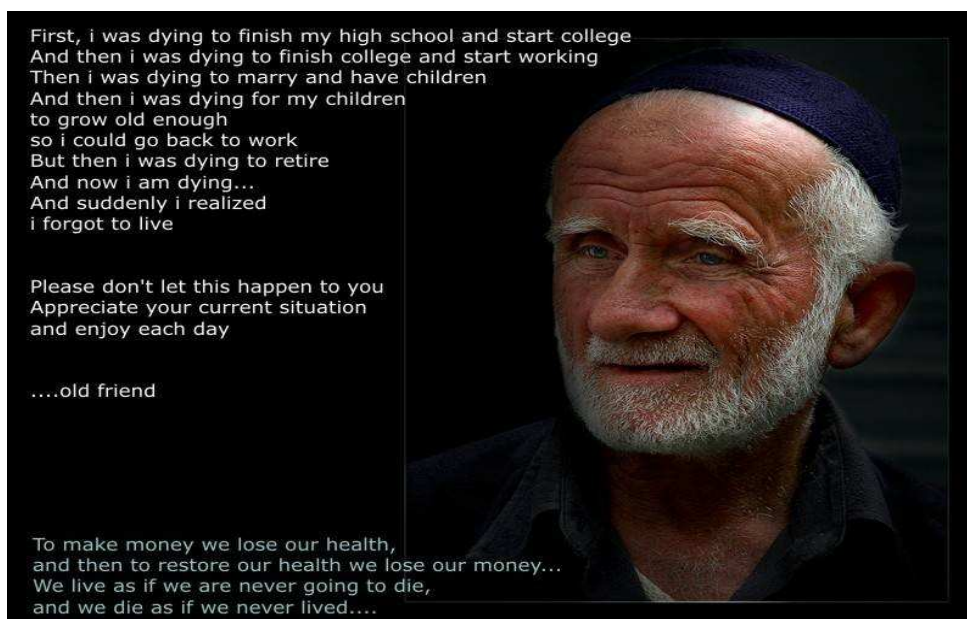

The supplier of feed and fuel takes the 100 Euro note and runs to pay his debt to the town prostitute that in these hard times, gave her services on credit.

The prostitute runs to the hotel, and pays off her debt with the 100 Euro note to the hotel proprietor to pay for the rooms that she rented when she brought her clients there.

The hotel proprietor then lays the 100 Euro note back on the counter so that the rich tourist will not suspect anything.

At that moment, the rich tourist comes down after inspecting the rooms, and takes his 100 Euro note, after saying that he did not like any of the rooms, and leaves town.

No one earned anything. However, the whole town is now without debt, and looks to the future with a lot of optimism.

## GOOD JOKE PAGE

### "THE BLONDE AND THE COW"

A blonde city girl named Amy marries a Colorado rancher.

One morning, on his way out to check on the cows, the rancher says to Amy,

'The insemination man is coming over to impregnate one of our cows today, so I drove a nail into the 2 by 4 just above where the cow's stall is in the barn. Please show him where the cow is when he gets here, OK?'

The rancher leaves for the fields. After a while, the artificial insemination man arrives and knocks on the front door. Amy takes him down to the barn. They walk along the row of cows and when Amy sees the nail, she tells him, 'This is the one right here.'

The man, assuming he is dealing with an air head blond, asks, 'Tell me lady, 'cause I'm dying to know; how would YOU know that this is the right cow to be bred?'

'That's simple," she said. "By the nail that's over its stall,' she explains very confidently.

Laughing rudely at her, the man says, 'And what, pray tell, is the nail for?'

The blond turns to walk away and says sweetly over her shoulder,

'I guess it's to hang your pants on.'

(It's nice to see a blonde winning once in awhile.)

## Ride Etiquette

### Ride Leaders

1. Before leaving, advise riders of the destination and where designated stops are to be.
2. Be aware that you are leading a convoy of many bikes and stay in one lane as much as possible.
3. Minimise lane changes
4. When at rest stops, give 10 minutes notice of leaving to riders.

### Riders

1. Keep at least 2 bikes in view of your mirrors
2. Notify tail end Charlie if you are leaving the ride
3. NO overtaking on corners/ bends
4. Bikes to be fully fuelled before start of ride
5. Remember – Always ride safety and within the law

### Ride Leaders pre-ride instructions are to include.

1. Destination
2. Fuel Stops
3. Comfort Stops
4. Meal Stops
5. Any other information that may be deemed necessary for the safe conduct of the ride.

Ride Leaders are advised to restrict their pre-ride instructions to the job specification

i.e. timings, directions, distance, coffee or lunch stops etc. Any further advice would be outside the limit of a ride leader's authority and should not include advising members on how they should ride their bikes.

There is a statutory requirement that each rider be licensed to operate a motorcycle and do so in accordance with the rules of the road and in a safe manner. This would imply that a rider must rely on his/her own abilities and senses, under all conditions and not rely on the comments and judgement of others, such as a ride leader.
